Cooper The Wine

If dogs are a person's best friend, Cooper is a wine-lover's best friend! Faithful and true, Cooper is a wine you'll return to again and again. Lovable, playful, endearing, purely enjoyable – all the things you want in a dog, and in a wine. This blend of white grapes makes a quaffable, easy white wine that's delightful whether you're relaxing in a hot tub, soaking up the sun on the deck of a boat, or chilling out with friends on the back deck. Cooper helps us take wine – and ourselves – just a little less seriously!

DID YOU KNOW?

Cooper was a Bernese Mountain dog. Berners originated in the Swiss Alps, in the canton of Bern. Affectionate, easy-going, and eager to share a hug, Cooper became fast friends with with many of our tasting room guests during his eight years with us.

The Grapes

Cooper is a unique combination of four different white varietals: Chardonnay, Pinot Gris, Riesling, and Muscat. Each grape brings its own distinct characteristics to the wine, perfectly complementing each other to bring you one of Bowers Harbor Vineyards' most beloved and well-known wines! Our dog wines continue to grow in popularity both in our tasting room and in retail stores and restaurants throughout the state. With the help of many local farmers, we have been able to plant small vineyards all throughout Northern Michigan to grow a variety of vinifera and hybrid grapes to use in our Cooper wine. All of these farmers have dogs of their own, and love to be a part of this project.

TECHNICAL DATA

Varietal: Chardonnay, Pinot Gris, Riesling, Muscat
Vintage: 2018
Appellation: Non-Specific

Case Production: 1350
pH/Residual Sugar: 4% RS
ABV: 12%

TASTING NOTES

Sweet-natured and easygoing like the dog, this wine suggests passionfruit and sweet melon, with bright lemon notes jumping in on the palate.

How to taste:

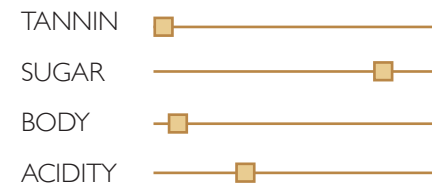

- 1 Look at the appearance:

- 2 Identify aromas and flavors

- 3 Determine the profile

- 4 What to Pair It With!

Prosciutto melon skewer; Blackened salmon; Your favorite fruit sorbet.
