Otis

The Wine

Who could resist a wine named after our loveable yellow lab, Otis? There's something about dogs that just makes life a little happier! Our proprietors, Linda and Spencer, have immortalized the Bowers Harbor dogs on our wine labels, making them some of the most popular wines that we sell. Dog lovers from around the state and country continue to bring their own dogs for visits to the vineyard, and cherish our love for our canine friends. Bright citrus, the perfect balance of tart and sweet, and that adorable label keep people returning year after year for our Otis wine.

DID YOU KNOW?

Bowers Harbor Vineyards partners with our local Cherryland Humane Society to raise money in support of pet adoption! We also feature wonderful dog-themed merchandise in our tasting room.

The Grapes

Otis is a unique combination of four different white varieties: Chardonnay, Pinot Gris, Riesling, and Muscat. Each grape brings its own distinct characteristics to the wine, perfectly complementing each other to bring you one of Bowers Harbor Vineyards' most beloved and well-known wines! Our dog wines continue to grow in popularity both in our tasting room and in retail stores and restaurants throughout the state. With the help of many local farmers, we have been able to plant small vineyards all throughout Northern Michigan to grow a variety of vinifera and hybrid grapes to use in our Otis wine. All of these farmers have dogs of their own, and love to be a part of this project.

TECHNICAL DATA

Varietal: Chardonnay, Pinot Gris, Riesling, Muscat
Vintage: Non-Vintage
Appellation: Non-Specific

Case Production: 1,100
pH/Residual Sugar: 2% RS
