Red Wagon Red

The Wine

Red Wagon Red is a perennial favorite for many of our tasting room guests. One of Bowers Harbor Vineyards' earliest wines, Red Wagon Red was crafted to appeal to the novice red wine drinker. Looking for a wine that's just a bit fruitier, a little more light-hearted, with just enough sweetness to entice the "shy about dry wine" drinker? Look no further!

The Grapes

Red Wagon Red is a blend of three French hybrid grapes: Foch, Chancellor, and DeChaunac. French hybrid grapes were bred as a cross between a European Vinifera and an American grape. These hybrids tend to produce juice that is highly fruity rather than tannic, with an appealing amount of sweetness. This wine is fermented in stainless steel tanks and has no oak aging, making it most enjoyable as a young, fresh wine rather than an aged wine.

DID YOU KNOW?

Red Wagon Red bears one of our very earliest wine labels. "45th Parallel" was chosen for our vineyard's proximity to the circle of latitude that lies halfway between the equator and the North Pole.
