Winston

The Wine

Our most recent BHV wine dog, Winston, is pleased to introduce the wine that has been named in his honor! Winston is an English Cream Retriever, and our proprietor's constant friend and golf cart buddy. He is loyal, optimistic, likes a good belly rub, and is passionate about food. Our Winston wine is comprised of 100% Zinfandel sourced from the Sierra Nevada foothills of California.

DID YOU KNOW?

Winston is the fourth of our winery dogs. Otis, Cooper, and Brix all have white wines for their namesakes. Winston is the first red wine named after one of our beloved canines.

The Grapes

Zinfandel is a black-skinned grape which produces a red wine just a bit lighter in body than a Cabernet Sauvignon. It tends to be a slightly higher alcohol wine, giving it a bolder and bigger mouthfeel than a light-bodied Pinot Noir. Zinfandel's most prolific growing region is California, and it is the signature grape of the Sierra foothills. Bringing in juice from California allows us a little room to play, and to see what we can do with grapes from an entirely different growing region...a bit of an adventurous wine, named after an undeniably adventurous dog.

TECHNICAL DATA

Varietal: 100% Zinfandel
Vintage: 2016
Appellation: Sierra Foothills

Case Production: 277
pH/Residual Sugar: 0%
ABV: 12%

TASTING NOTES

Dark red fruits and licorice on the nose give way to bold black currant and plum notes accented by grippy tannins and a peppery finish.

How to taste:

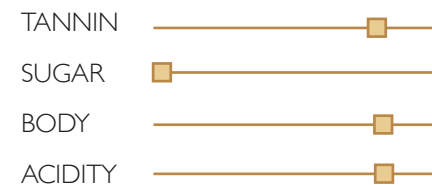

- 1 Look at the appearance:

- 2 Identify aromas and flavors

- 3 Determine the profile

- 4 What to Pair It With!

Grilled Asian beef kabobs, or barbecued baby back ribs.
